To quote Rick Patterson of the NASR, "Flint Oak exemplifies the professionalism, commitment to customer service and community partnership that is the hallmark of any successful business. To meet the criteria of a five star facility, a range must demonstrate excellence in all aspects of management and operations of their business. Five star facilities are simply the best of the best at providing a quality recreational experience for customers..."

Sporting Clays Flint Oak's internationally famous sporting clays courses are designed to replicate every conceivable shot encountered in the field from a covey rise of quail to geese settling onto a lake. Other favorite stations include the Fur & Feather, Crossing Wood-cocks, and the Pheasant Flush. With its immaculately groomed landscaping, beautiful lakes and life-size bronze statues depicting the flight of the targets at each station, it is easy to see why this has been dubbed the "Pebble Beach" of sporting clay courses. Flint Oak's 157' tower provides challenge and excitement to the most experienced shooters.
